Regent

Longarm Quilting Machine

Sensors detect fabric motion speed.

Sensors send a message to the computer to regulate speed of stitches.

Stitch Harmony Stitch Regulation

Enjoy free-motion quilting at a comfortable pace with the Stitch Harmony Stitch Regulation. Built into the Regent's table insert, the automated regulator helps you achieve evenly spaced, consistent stitches every time. This easy-to-use stitch regulation is helpful for quilters of all skill levels.

M-Class Bobbin

You'll need fewer bobbin changes with the high-speed rotary hook and large-capacity M-class bobbin.

18" Creative Workspace

With 18" to the right of the needle and an 8.25" high throat space, the Regent gives ample room to finish quilts of all sizes.

User-Friendly Interface

Access your hardware and software options, lighting options, stitch counters and more through the intuitive LCD touch screen.

Smooth, Adjustable Table

The Regent comes with its own quilting table with Stitch Harmony Stitch Regulation built right in.

Technical Features

- Throat space is 18" wide x 8.25" high
- Stitch Harmony™ built-in stitch regulation
- Lighting: LED adjustable lighting for the needle and quilting area
- 1/4" Interchangeable Hopping foot
- Maximum sewing speed of 2,200 spm
- Stitch length from 4 to 22 stitches per inch
- Customizable speed control
- The needle will take a half stitch or full stitch when the needle up/down button is pressed
- Quick-Set Tension makes adjusting upper thread tension easier as the digital read-out appears on LCD screen
- Basting option allows you to baste layers every .5, .75, 1, 1.5, or 2 seconds
- Responsive foot pedal with half-stitch control
- User-friendly, adjustable color LCD touch screen shows:
 - LED lighting options
 - Stitch counters
 - Diagnostics
 - Calculator
 - Low bobbin warning
 - Stitch regulator settings when using Stitch Harmony Stitch Regulator
- Programmable Needle Positioning: Needle Up/Down
- High speed rotary hook
- Large capacity "M" class bobbin
- Low Bobbin Estimator warns you when you are running low on bobbin thread
 - Store three bobbin thread capacity settings based on your preferred thread
- External electric bobbin winder with variable speeds
- Smooth table surface assures even flow of quilt
