The Baby Lock Brilliant is available to rent for this class if you prefer not to bring your own machine. A limited number of machines are available on a first come first serve basis. Please contact us to reserve a machine prior to class. The rental fee is \$25 per session\* and includes use of the machine and 14 snap on feet. In order to not take away from class time for yourself or other students, you must arrive 30 minutes before class starts to sign a rental contract and inventory the machine accessories. A staff member will also provide an overview on use of the machine at that time. At the end of class, a staff member will again complete an inventory with you. You are responsible for any missing accessories or damage to the machine. In order to ensure the machines stay in good working order, thread must be purchased from Rae-Bon Sew & Quilt Shop.
